MAINTENANCE DURING PANDEMIC

Ideas so far....

- Schedule only staff that are needed
- Supply appropriate PPE (N95 masks, gloves...)
- Establish a sanitization protocol (Tops,Tails, after lunch?)
- Ensure you have appropriate cleaning supplies and the SDS for them!
- Stagger breaks, have staff go to their vehicles for lunch
- Write it down! Document your plan and post it!

WWDD

- Plan tasks at a safe distance... One crew on stage, one in the shop, one in the catwalks...
- Make sure they can call for help. Radios?
- Periodically check they are maintaining physical distancing.
- Talk to your staff. Get their ideas and address their concerns ASAP!
- Don't forget to clean your tools and equipment.
