Safety Association

WWDD?

- Actsafe is not the regulator.
- We are not medical experts.
- We are all in this together!

Stay tuned to your local authorities for direction.

Updates!

In the now, what's happening:

- PASA Next class.... May 4th!(In a zoom session far, far away...)
- WWDD May 5... Mr. Will Heller will be hosting!
- Still awaiting feedback from PHO on the Relaunch Framework.
- PHO meetings will now include Donna Spenser from the Firehall.
- Updated travel restrictions.. Not a PHO order! No more travel between health authorities!
- So much confusion... please remain patient and respectful.

LETTERS TO BONNIE... PHO UPDATES.

Another frustrating and confusing week. With the travel restrictions changing by the minute we have given up on trying to translate them for the industry. So many plans cancelled and confused artists. With Schools applying their plans on theatres and theatres applying their plans on motion picture clients.... its a mess. The Actsafe team has done its best to help, but currently the best we can offer is "Talk to your health authority". End rant.

Updates:

- 74 COVID Plans reviewed to date
- 4 COVID plans in April.
- More and more organizations are ignoring advice and moving forward with plans.
- Please consider an approval process for allowing events to resume!
- Still awaiting feedback on the Industry relaunch document.
- There will be no update next week, as I am on holiday.

Outreach in the last 7 days:

- 3 video calls
- 163 attendees.
- Continued conversations around the PHO meetings and who is included.

The Message:

- Pushing vaccine registration.
- Patience.
- STOP DOING THINGS!
- Travel restrictions.... stop moving about!

As always... standing by for our cue.

A screenshot of the BCACC website homepage. The top navigation bar is blue with the BCACC logo on the left and links for 'About Us', 'Find A Counsellor', 'Events', 'Publications & Resources', and 'Regulation' in the center. On the right of the navigation bar are buttons for 'BECOME AN RCC' and 'RCC LOGIN'. The main content area features a large image of a smiling woman in a pink top. A blue call-to-action box on the left contains the text: 'BC's largest association for counsellors. Become a Registered Clinical Counsellor (RCC). >'. At the bottom, there is a search bar with the text 'What type of counselling are', a dropdown menu for 'Select Practice Area', another dropdown for 'Select A City', and a 'FIND A COUNSELLOR >' button. A small URL 'https://bc-counsellors.org' is visible in the bottom left corner of the screenshot.

This week I wanted to thank ALL of the counsellors, therapists, psychologists and support staff in the mental health field.

The stories I have heard from colleagues, brings me hope that we will can all find tools to help us cope with whatever life throws at us.
