WITH CO-HOST WILL HELLER

- Actsafe is not the regulator.
- We are not medical experts.
- We are all in this together!

Stay tuned to your local authorities for direction.

Updates!

In the now, what's happening:

- PASA Next class.... June 8th!.
- Actsafe/go2HR project delayed (shocking!). BSAFE online covid course to be launched June 10.
- Re-Launch checklist out next week?
- Festivals/Outdoor event group has been scrapped.
- Scenario based work is being shelved.
- Drive-in/through events no longer have limits! And no monitoring requirements!
- “Sector Consultation” will be handled by individual ministries:(

Since the reopening plans have been revealed, it has been a mad house here in the Performing Arts department at Actsafe. We are pleading for direction, clarification and news on upcoming plans. We have abandoned all COVID committee work as there is no sign the work is being used by any parties we are supplying it to, and we have our hands full translating the cryptic and incomplete directions from the province. With all that, we standby waiting for the call to assist in anyway possible... please reach out.

- Updates:
- 76 COVID Plans reviewed to date
 - 2 COVID plans in May
 - Relaunch check list in creation.
 - Growing frustration around reopening “plans” being made without consultation.
 - Planning models for 50 person return to live events, 25% Capacity and 50% capacity for indoor events are underway.
 - Separate work for outdoor event is next in the pipeline.

- Outreach in the last 14 days:
- 4 video calls
 - 217 attendees.
 - PHO meeting on May 27.

- The Message:
- Pushing vaccine registration.
 - No one knows what's next!

And one BIG question on behalf of the industry. How does the PHO define “Sector consultations”?
Thanks for listening.
