- Actsafe is not the regulator.
- We are not medical experts.
- We are all in this together!

Stay tuned to your local authorities for direction.

Updates!

In the now, what's happening:

- JHSC Next class.... June 21/22nd! Get on it!
- BSAFE online covid launched! 24 certificates already issued!
- Consortium proposed reopening order delivered to working group.
- ASO group has PS Bob D'ieth joining their meeting on June 29.

Step 2 is in place, and the confusion grows. Thank you to Haley for attempting to shed light on the updated PHO order, though we fear the current guidance (or lack there of) will basically throw the doors open for outdoor events with few or no controls in place. We highly recommend you have clear directions for "Fairs and Festivals" in Step 3, including some clear definitions of festivals and fairs.

Updates:

- 80 COVID Plans reviewed to date
- 4 COVID plans in June
- As the Section C reads in the latest order (June 6), groups will not be doing contact tracing, pre-booking attendees or putting fencing in place to control access to the site, as they have all been removed in the order.

Outreach in the last 14 days:

- 4 video calls
- 208 attendees.
- PHO meeting on Tues.

The Message:

- Regardless of the lack of direction in the current orders we recommend contact tracing be maintained for ALL events!
- Use your best judgement with the information given.

Desperately lost....
