WITH CO-HOST WILL HELLER

- Actsafe is not the regulator.
- We are not medical experts.
- We are all in this together!

Stay tuned to your local authorities for direction.

Updates!

In the now, what's happening:

- Next PASA: Dec 7, we need 4 more people!
- Interior order rescinded as of midnight last night.
- Adrian Dix has a youtube channel...
<https://youtu.be/A57oDsYPBI8>
- Northern order to be updated. Should be back to 50% vaccinated capacity, fingers crossed.
- Masks now required for ALL faith based assemblies.
- Choirs must be masked.

Well, that was one heck of a day. A heads-up that things are going to change, would sure help us deliver your message!

Based on this afternoon's media update, I will ask the questions I know will be asked:

- Will there be enforcement of the new mask rules for faith-based gatherings?
- When will we see a written update to the Provincial order?
- When will we see an updated Northern order?
- Will you be ensuring the individual health authorities *AND* their staff on the ground are clear on the spirit and details of the updated orders?

Updates:

- 13 CDP to date.
- More and more organizations are implementing vaccine requirements for staff and volunteers.
- Several groups adding rapid testing to their plans.

The Message:

- Use your best judgement. Safety first!
- Stay in touch with your local health authority.
- Put your plans and procedures in writing.

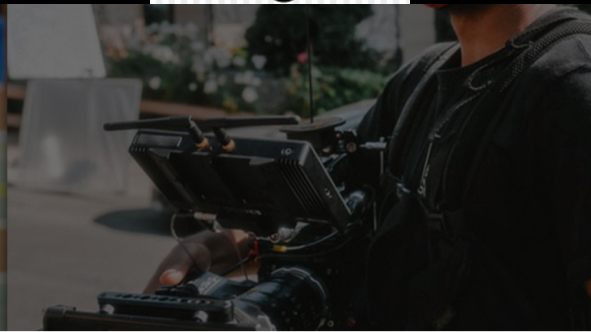

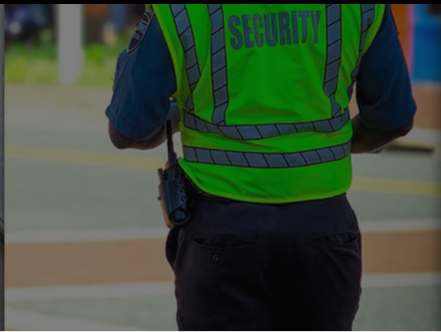

That's all for now, any updates are always appreciated.
