

# FIRST AID ASSESSMENT TOOL

Available now

[firstaid.actsafe.ca](http://firstaid.actsafe.ca)

Now it's easier than ever to;

- Assess your first aid needs,
- Help ensure compliance with WorkSafeBC's first aid requirements.

Web Based Tool - accessible on any device, anywhere.

**Six simple questions** provides you with a complete, printable list of equipment and personnel required to maintain the health and safety of all workers on set.

What previously was exhaustive and complicated to complete now takes under a minute.

No more deciphering tables, equipment lists and calculating hazard adjustment ratios to figure out your first aid requirements.
